PATIENT TREATMENT CONSENT

I authorize the dentist(s) or designated staff treating me to perform such diagnostic aids deemed appropriate to make a thorough diagnosis of my dental needs. Upon such diagnosis, I authorize the dentist(s) to perform all recommended treatment and therapeutic procedures to include administering medications as prescribed by the Dentist(s) and mutually agreed upon by me. Some teeth may have hidden decay, or affected nerves requiring more extensive treatment which could lead to additional charges.

APPOINTMENT POLICY

Cancelled or broken appointments without 24hrs notice will be charged **\$50 per half hour**. If there are numerous broken and cancellations on the account, this may be grounds for termination from the practice. We are unable to provide the quality of care needed when appointments are broken.

FINANCIAL POLICY

In consideration for the professional services rendered to me by this practice, I agree to pay the charges for the services at the time of treatment. I agree that the charges for services shall be as billed unless objected to, by me in writing, within the time payment is due. A fee of **\$35** will be charged for any returned checks. After one returned check we can no longer accept checks only cash, credit card or money orders. **Accounts sent to a third party for collection will incur a charge that is based on 50% of your outstanding balance.** I agree that a waiver of any breach any time or condition hereunder shall not constitute a waiver of any further term or condition and I agree to pay all costs and reasonable attorney fees if suit be instituted hereunder.

- **Patients with Dental Insurance** must make sure that we accept their insurance. This office does not participate with every plan and may change participation during the year. We will accept assignment of benefits and collect the patient estimated portion at time of service. The office will file the insurance claim as a courtesy and to help speed up payment of claim. If we have not received payment 90 days after claim has been filed, the balance becomes responsibility of the patient. Our office will not assume responsibility for the lack of benefits paid. Your insurance company states "this is not a guarantee of benefits", therefore we cannot offer a guarantee they will pay. This form authorizes the practice to submit insurance claim forms and receive payment directly from the insurance carrier with the notation "SIGNATURE ON FILE." I authorize my dentist(s) to release treatment records/x-rays or any other information deemed pertinent to my insurance carrier as necessary and/or requested. If you have concerns about this issue you can call your insurance company for details or refer to your policy manual prior to any dental treatment.
- **OSHA** fee of \$20 will incur as of May 5, 2020 for all office visits.
- **Payment Plans** are available for patients undergoing treatment that require several visits. You must make an appropriate down payment with balance due upon completion of treatment. Arrangements must be made in advance with the office financial coordinator.

I understand I am responsible for any portion not paid by my insurance company regardless of an estimate I may have been quoted. I grant my permission to you or your assignees, to telephone me to discuss this statement or my treatment. I have read and understand the above information and agree with the terms and conditions.
